

# VID JAMNIK PRESENTS

**URGENT DETERGENT** – a quartet of vibraphonist Vid Jamnik, which in its newest formulation contains some of the finest young Slovenian musicians, who until recently lived in New York City.

Founded at Berklee College of Music, the band has toured in France; recorded for the compilation CD of Berklee's Jazz Revelation Records, featuring the best student compositions and groups; was a finalist of the European Jazz Competition in Holland; and took 2<sup>nd</sup> place in the 7 Virtual Jazz Competition. In spite of the changes in the line-up, the quartet stays true to the instrumentation of vibraphone-piano-bass-drums and to playing original music, which, quite contrary to popular belief, bears no similarity to soap opera jingles ...

*... most of the time, any resemblance is purely coincidental.*

# VID JAMNIK PREDSTAVLJA

**URGENT DETERGENT** – kvartet vibrafonista Vida Jamnika, ki v svoji najnovejši formuli vsebuje nekatere od najboljših mladih slovenskih glasbenikov, do nedavnega živečih v New Yorku.

Zasedba, ustanovljena na Berklee College of Music, je med drugim predstavljala šolo na turneji po Franciji; snemala za kompilacijsko zgoščenko založbe Jazz Revelation Records, ki predstavlja najboljše študentske skladbe in skupine; bila finalist EBU European Jazz Competition na Nizozemskem; in zasedla 2. mesto na 7 Virtual Jazz Competition. Spremembam v postavi navkljub ostaja zvesta instrumentaciji vibrafon-klavir-bas-bobni in preigravanju avtorske glasbe, ki, v nasprotju z morebitno prvo pomisljijo, ne spominja na glasbo iz žajfnic ...

*... povečini, vsaka podobnost je zgolj slučajna.*
